

**Year 4 –Unfortunately, you won't be able to do your 2 transition days at your new school so here is an idea for a 'getting to know you' task. Write a letter to your new school letting them know about how fantastic you are! 😊**

Here's your challenge. Write a letter and get your parents to email it to me at [kcain@birches.staffs.sch.uk](mailto:kcain@birches.staffs.sch.uk) and I will forward it to your new school. Your letter should tell them a little about yourself, your name, what you have been doing during lockdown, what you like and dislike, what things you do outside of school, and what you are looking forward to. Can you also draw a picture and describe what it is and why you have decided to draw it for them?

Have fun!
