

Birches First School

Believe, Grow, Succeed

School Closure Home Learning Year 2 Daily Tasks

Monday 6th July 2020 (Summer Term 2, Week 6 - Day 1)

Home learning tasks are designed so they can be read from a screen and completed into Home Learning Books. This reduces/ removes the need for printing. In some cases, questions may need to be copied out into home learning books. Of course you may print the tasks if this is easier for your family but please do not feel that you have to.

Good Morning Year 2.

I will be dropping you an email this week. Ask your grownups to watch out for it! I look forward to hearing how you are and how your home learning is going. I hope you have had a lovely weekend. You have all worked so hard and as always, I am very proud of you all.

Miss Hulme ☺

Maths Task (Time):

It is really important that we learn to tell the time as it is a life skill we will always need. There are two types of clocks: analogue and digital. For the time being, we are only going to focus on analogue.

Today I would like you to make your own analogue clock that you can use to help you with our learning. Please find some examples below. You can decorate it as much or as little as you like. Just remember, we want to be able to read the numbers on the clock and need to be able to see the hours and minutes hand.

Reading Task:

For today's reading task, I would like to redirect you to a free ebook library website. You can make a free account to access these books.

Website:

https://www.oxfordowl.co.uk/for-home/library-page?view=details&query=&type=book&age_group=Age+6-7&level=&level_select=&book_type=Non-fiction&series=Oxford+Reading+Tree#

Writing/ SPAG Task:

Favourite Day

For today's learning task, I would love to hear about what you have been up to. As always, I am missing you all very much. I know that it seems a very long time since I saw you all. **Please send me a picture of today's home learning** (shulme@birches.staffs.sch.uk). I can't wait to see what has been your favourite day so far.

You can complete your work in any format. Be creative – you can use pictures but remember to use writing too! I have suggested some ideas below.

A postcard:

A letter:

A template for writing a letter. It features a red border and a light gray background. The text area is defined by horizontal lines. At the top right, there is a short horizontal line for an address. Below this, there is a long horizontal line for the recipient's name. The main body of the letter is filled with 15 horizontal lines. At the bottom right, there are two short horizontal lines for a signature and a return address.
