Goodbye, Year 4 **Hello, Year 5**

### Year 4 Transition Tasks

**Date: 17/7/20**

Today is the day Year 4. I can't believe that we're not going to be spending it together. I want you to know that I am proud of each and everyone of you and it has been a pleasure to teach you again – my how you've grown and flourished since Year 2!

As you know, I have been very busy over the last few weeks producing some Leaver's videos. They have been uploaded to a OneDrive for you. The link will be texted out to your grown ups today. Please download them by **Friday 24<sup>th</sup> July** if you would like to keep them. After this date, the link will be removed. I really hope you enjoy watching them again, keep your eyes peeled for some added parts! I am still in the process of finishing one video – I will ge this to you ASAP.

Your only task for today is to take a moment to stop and remember all of your wonderful Birches memories.

I wish you all lots of luck at your new schools and for the future. I know that the future is bright for you. I can't wait to see what you achieve. Remember – believe, grow and succeed.

Lots of love, hugs and good luck wishes from me to you.
